

John M Taggart Memorial Scholarship

John M Taggart's work has been vital to First Love Christian Academy. John was the owner of Taggart, Mitchell and Assoc., PC, CPA firm and has helped to provide over a quarter of a million dollars in financial aid through the EITC program to qualified Washington County families at FLCA. John went to be with the Lord in January 2017.

The Academy awards financial aid to families based on the family income guidelines set by the state. The expansion of FLCA students in Washington County has increased this need and John worked diligently to provide for these children.

Starting the fall of 2017, Washington County students eligible for available financial aid will be awarded the John M Taggart Memorial Scholarship in thanksgiving to the Lord for the work of His servant John.
